Action with Compassion

We want
every person
in prison to realize:
You Matter!

WHY WE ARE HERE

90% of Michigan prisoners will be released someday. A major goal of HFP's practical assistance is to help prepare citizens for reentry.

Our Mission

With compassion for those who have nowhere else to turn, Humanity for Prisoners (HFP) provides personalized, problem-solving services for people in prison.

WE NEED YOU

Only 12% of Michigan prisoners receive visits. With your partnership, HFP will continue to provide personalized, problem-solving services for inmates who don't know where to turn.

Be a Sustaining contributor

Your monthly support ensures continuous impact! With that consistency, as a team we'll be there for the hurting and needy people behind bars. *(Automatic withdrawal service available upon request.)*
